Review of events

Y4/5 girls' football league and cup

To be in the same format for 14/15 – congratulations to Launde for their double!

Y4/5 boys' football league and cup

Ongoing. It was agreed deadlines must be kept so the league will be ending soon.

Swimming gala for years 5 and 6

Four OW schools took part and Anne expressed her thanks for those schools who partook. Next year, if possible, can a school enter both their y5 and 6 swimmers rather than splitting the team between year groups. Research into hiring a pool ourselves ongoing.

Saffron Lane

Oadby and Wigston y4/5 Saffron Lane event booked for 10th June. Jennifer and Jo currently liaising with Julie. 11 forms have been returned so far – please ensure forms are returned asap if your school is taking part.

- Due to parents getting somewhat carried away at this event, Tim is to produce a 'Welcome / Code of Conduct' letter to be handed out at the gate on the day.
- Please ensure that pupils are only entered for a track or a field event – not both due to logistics.
- Tim to order medals.
- Please bring shields along if you won last year.

Netball – y 4/5

Thanks to Fiona for her organisation and congratulations to Houghton for their victory!

Cross country

Thanks to Adam and Manor for their organisation. Concerns were raised regarding the finals at Rutland Water and the parking issue which meant some children missed their race. Tim to pass these concerns onto Leics Cross Country.

Inclusion PE event

Held over two days at GH in March. Many schools attended and agreed it was a good event. To be held again next year.

LSLSSP

Anne outlined the details of all the competitions that have been organised for the rest of the year. Please let Anne know if you are taking part in any. Also, please remember the conference @ Beaumanor on the 5th June and the celebration evening – put any nominations into Anne asap.

AOB

Discussion about uses of the PE grant and reminder that info should be on your school website regarding this.
